Dear Parents and Prospective Parents of GHA Students,

I am honored to be the GHA Parent Club Chair. Like you, I consider our children our most precious gifts and take their education very seriously; both their scholastic education and their “life” education. Gavilan Hills Academy provides both for our children.

The school, while providing an outstanding academic education, also gives students a safe environment to learn about the world, formulate ideas, communicate with others, and grow to become responsible citizens. Each student receives personalized instruction and care. It’s everything we want for our children and more.

As Parent Club Chair, I am a resource for you. Bring me any ideas and thoughts you have regarding school events, activities, programs, etc. We are a parent-strong community taking an active role in our children’s education.

If I can ever be of assistance, please do not hesitate to contact me with questions, comments, or ideas.

Kind Regards,
Diana Schlott
